THE LATE C. G. GOING.—In yesterday's issue we noticed briefly the death of this gentleman. Since then we have learned some particulars in regard to the unfortunate gentleman. He formerly lived in Nevada county, Cal., and afterwards in Austin. He has here a few friends who know him as "a good man and true." He was a first-class engineer and machinist, and his handiwork is to be found in various portions on the Pacific coast. He arrived here about ten days ago from San Francisco, to which city he came from British Columbia, where he has of late been putting up machinery. He seemed despondent, we are told, and spoke in gloomy terms of mundane things. Being unwell and in a highly nervous condition, he prepared an ounce of laudanum, of which he took too heavy a dose, either by accident or design, and on Wednesday night attempts were made to arouse him from the stupor, but with only partial success. On Thursday he died. Dr. Philson, the Coroner, made a post mortem examination, and found that his liver was diseased. It is probable, however, that the immoderate use of laudanum hastened his death, if it was not the immediate cause. The deceased is known to a few residents here. He was probably 35 years of age. Deceased leaves a sister in Placerville, Cal. Among his effects were found a lot of mining stocks of little or no intrinsic value. His funeral yesterday afternoon was attended by a number of people who desired to show their respect to the memory of a stranger who had been cut off in our midst.

MELANCHOLY DEATH.—Julius C. Meyer, of the firm of Meyer & Smith, died of pneumonia in this city yesterday morning. Deceased but a short time since came to this place and engaged in business. He was taken sick, and despite every effort in his behalf, he died yesterday morning. He was of German extraction, born in Akron, Ohio, in July, 1881. It adds to the melancholy of the event to state that he has a father, now at Treasure Hill, quite ill, and the death of young Meyer adds to the grief of the stricken mother. The body was sent to Treasure Hill for final interment. Deceased was known to many of our citizens and respected by all. It is a sad commentary upon the frailty of our tenure upon life, that one so young should thus suddenly be cut off in the prime of life. In their great affliction the public heart is in sympathy with the bereaved parents.

COMPLIMENTARY BENEFIT TO POCCHER HOSE CO.—Mr. Calhoun, the manager of the Pioche Theatre, has tendered to Pioche Hose Co., No. 1, a complimentary benefit, Tuesday evening having been chosen for the occasion. The proceeds are to go to pay the balance due on the hose now used by the Company. All must feel an interest in the welfare of the very town itself may depend. We hope therefore to see a crowded house, to the end that the benefit may be not simply complimentary, but also substantial. For particulars of the performance see bills of the day.

BUY YOUR TICKETS.—The time for the drawing of the Nevada State Lottery is near at hand, and as the tickets are going off rapidly, we beg to urge those who want tickets to move in the matter without delay. H. R. Breakley is the agent here, and from him tickets can be obtained. In our advertising columns will be found a list of the prizes. Buyers should remember that they not only stand a chance of winning a fortune, but aid a good cause in purchasing a ticket.

EVANS DISCHARGED.—James Evans, who recently killed a man in Dry Valley, about 12 miles from this place, had an examination by the Grand Jury, now in session, and yesterday the accused was discharged. This was doubtless a proper disposition of the case. We do not think Evans is a bad man at heart, and we hope that the trial through which he has passed will tend to lead him in the path of right in the future.

We are indebted to J. H. Lynch of Lynch's Chop House, for two bottles of superior whisky nearly a quarter of a century old—having been made in 1848. The flavor is superior to anything we have met with in many a day. Mr. Lynch has also at his establishment a supply of fresh oysters for the delectation of those who delight in such a luxury.

LYNCH'S CHOP HOUSE.—John H. Lynch, an old and popular restaurant keeper in Pioche, informs the public that he will keep his house open day and night. The best of everything is supplied, including oysters, shell fish and clams. Public and private parties supplied. North side of Meadow Valley street.

STANDARD MINE.—This mine has now two shafts, one 120 feet deep and the other 177 feet. There are also two drifts. D. F. Meagher is the Superintendent, and he intends to prosecute the work with vigor. The mine looks well, and gives every promise of proving a first-class mine.

THE PEN IS MIGHTIER, ETC.—Yesterday we announced in pathetic terms the absence of Fowler's Sexual Science. Our appeal was effective; the aforesaid volume was found on our table yesterday morning. Hereafter, reader, if you lose anything, advertise it.

MATINEE.—This afternoon at 2 o'clock a matinee will be given at the Pioche Theatre for the special benefit of ladies and children. A good bill is offered, and all who attend are assured that they will have a pleasant and enjoyable time.

TO ARRIVE TO-DAY.—The following passengers left Hamilton yesterday for Pioche, who will arrive on to-day's stage: Mrs. Petit, Mrs. Young, Ventura Cortez, Pedro Soto, S. Tall, J. Smith.

BOTTLED cider for sale at the Soda Factory. Made from fine apples and delivered to any part of the city for \$5.00 per dozen. Send in your orders. del.-T. O. GARNY, Proprietor.

CALHOUN'S BENEFIT.—We are pleased to chronicle the success Mr. Calhoun met with last evening. The house was crowded to suffocation. The ladies turned out en masse, and the Temple of Music for once, since its opening, had a remunerative audience. All the plays, songs, dances, etc., met with applause, both demonstrative and enthusiastic. Maggie Knight was received as a great favorite, charming by all her blonde beauty, sweet, and graceful style. Harry Larraine, whom most of our citizens have become acquainted with, presented some of his best specialties and he met with a decided triumph. Messrs. Mason and Jenkins, in McGowan's Reel, were truly excellent. Mason, in both negro and Irish delinquencies is equal to any on the coast. Mr. Jenkins last evening did some capital character acting. He is a natural comic genius, in all his impersonations he adds little funny and original points which amuse every one. He is well up in his business. The entire combination, in fact, did their best, and the audience departed at 10:30 p. m. well pleased. For this evening's entertainment a good bill is offered.

J. F. Kopp is now engaged in the Hair-dressing establishment of Charles Castree, San Jose House. Old friends and new patrons are requested to call and see for themselves.

FREE LOVE vs. FREE LUST.—Last night Daishway Hall was crowded to its utmost capacity to hear Mr. Howard deliver his able lecture on Free Love. He cited Scripture and Shakespeare to show the proper meaning of the word "free" and the word "love," and then of the two words together. The love of man and wife, of parents and children, pure and holy as it is, was true free love; the love of God was free love; but the free love taught by Mrs. Woodhall, Tannie Clapham, Miss Mansfield and all that class of "bad women," was nothing but free lust, taught by them to others to cover their own crimes, and make themselves respectable among its advocates. The libertine and unfaithful wife were the true exponents of free lust, while the pure, good wife and husband were properly entitled to the appellation of free lovers. On the marriage vow, faithfully kept, depends the purity and stability of our social institutions. The faithfulness of father and mother is essential to the respectability of children. The wife's infidelity is not only degrading to herself, but her offspring feel the weight of her shame their entire lifetime.—[S. F. Republican, Dec. 9.]

GOT THE EPIZOOTIC.—One of Sol. Neel's heavy team horses, in Lower Gold Hill, is afflicted with a disease, which, according to description, must be the genuine hippozootic—etc., same as the horses of the East have. It is the same severe swelling of the throat, coughing, wheezing, running at the nose and all that sort of thing. There is the only decided case at present. The most eminent advice and consultation in the matter have been called, and the patient is not only carefully nursed and attended but measures are taken to prevent the disease communicating with other animals. So says the Gold Hill News of Saturday.

STATE TREASURY.—The following moneys were received in the State Treasury, yesterday: From the Treasurer of Esmeralda county, on State account, \$485.18; on stamp account, \$65.92; from the Treasurer of Douglas county, on stamp account, \$78.74; from the Treasurer of Churchill county, on State account, \$421.76; on stamp account, \$38.80; from the Treasurer of Elko county, on State account, \$8,000; from the Treasurer of Lander county, on stamp account, \$458.33; making a total of \$9,548.73—a good showing for one day.—[Carson Register, 10.]
